

Capacity Assessment for Sellwood Schools

Note: This information is based on data collected by Facilities & Maintenance in the December 2004 Classroom Use Survey supplemented by school walkthroughs in March 2006, as well as data provided by the Special Education department regarding its classroom uses in the 2005/6 school year. The Principal of each school has reviewed and updated the information according to current classroom uses.

Duniway

Total number of rooms that could be used as classrooms: 23

- 15 regular classrooms
- 3 Kindergarten classrooms
- 1 music room
- 1 art room
- 1 special education
- 1 computer room/reading pullout room
- 1 book room/teachers work room

Other Space:

Library

Gyms (north & south)

Auditorium (upper & lower)

Cafeteria

Other non-classroom space: main office, storage, lounge, child psychologist, nurse, speech pathologist, daycare room

Capacity calculations:

Maximum capacity = 21 classrooms (23 – 1 computer lab & 1 learning center) x 25 students per room

= 525 students

Grout

Total number of rooms that could be used as classrooms: 27

- 11 regular classrooms
- 2 Kindergarten classrooms
- 1 reading room
- 1 book room
- 1 learning center
- 2 ESL rooms
- 1 counseling room
- 1 nurse/administrative room
- 1 teacher's lounge
- 1 computer room
- 1 Title 1 room
- 1 MECP room
- 1 SMART/reading recovery room
- 1 Portland Impact/Touchstone room
- 1 Daycare

Other Space:

Lunch gym

Gym

Auditorium

Library

Other non-classroom/administrative space: main office, storage, child psychologist, nurse, speech pathologist, SUN program

Capacity calculations:

Maximum capacity = 22 classrooms (27 – 1 computer lab, 2 ESL, 1 learning center, 1 Title 1) x 25 students per room

= 550 students

Lewis

Total number of rooms that could be used as classrooms: 19

- 9 regular classrooms
- 2 Kindergarten classrooms – Full day
- 1 music room
- 1 learning center/ERC classroom
- 2 PPS Life Skills with nursing special education classrooms
- 1 MECP Early Childhood Classroom (30 students)
- 1 computer classroom
- 1 Multipurpose Room: Used by Life Skills Nursing staff, Americorps Volunteer, SMART Reading Program, OASIS, Title One Book Room...
- 1 Multipurpose Room: Used by daycare before and after school... During school used by School Psych and Occupational Therapist

Other Space:

Small room – used for ESL

Library - Takes up 2 classroom spaces

Gym

Cafeteria/Auditorium

Other non-classroom space: main office, storage, lounge/faculty dining, speech pathologist, kiln/work room

Capacity calculations:

Maximum capacity = 14 classrooms (19 – 1 computer lab, 2 PPS Life Skills, 1 learning center, 1 Title 1) x 25 students per room

= 350 students

**Note, capacity would be 400 if PPS Life Skills classrooms were moved to another location.

Llewellyn

Total number of rooms that could be used as classrooms: 20

- 11 regular classrooms (incl. 1 portable)
- 2 Kindergarten classrooms
- 1 art/music room
- 2 special education
- 1 computer room
- 2 reading pullout rooms
- 1 teacher workroom

Other Space:

Gym

Auditorium/Cafeteria

Other non-classroom space: main office, storage, lounge, child psychologist, nurse, speech pathologist

Capacity calculations:

Maximum capacity = 17 classrooms (20 – 1 computer lab & 2 special education) x 25 students per room

= 425 students

Sellwood

Total number of rooms that could be used as classrooms: 31

- 18 regular classrooms
- 1 band room
- 1 art room
- 2 computer classes/labs
- 1 industrial arts room
- 3 science labs
- 1 music/choir room
- 3 special education
- 1 storage/chess club room

Other Space:

2 Gyms

Cafeteria

Library/Media center

ESL room

Other non-classroom space: main office, storage, lounge, child psychologist, nurse, speech pathologist, SUN program, PTA

Capacity calculations:

Maximum capacity = 25 classrooms (31 – 2 computer labs, 3 special education, 1 industrial arts (not full time use)) x 25 students per room

= 625 students

Winterhaven

Total number of rooms that could be used as classrooms: 16

- 11 regular classrooms
- 1 Kindergarten room
- 1 science labs
- 1 computer lab
- 1 portable
- 1 math lab/special education

Other Space:

Gym

Cafeteria/auditorium

Library

Other non-classroom space: main office, storage, child psychologist, nurse, speech pathologist, Volunteer coordinator, Waters Foundation

Capacity calculations:

Maximum capacity = 14 classrooms (16 – 1 computer lab, 1 special education) x 25 students per room

= 350 students
