

## **Session 4 Comprehensible Input / Strategies Objectives**

### **Content Objectives:**

- Select or design a specific technique to make input more comprehensible for students in an upcoming lesson.
- Differentiate between student strategies for learning and teacher techniques for scaffolding.

### **Language Objectives:**

- Orally describe specific techniques to make input more comprehensible for students in an upcoming lesson.
- Read about, discuss, and reflect on how to include student strategies and teacher techniques into lesson planning.
