-kindergarten fee-for-service updates

-lottery priorities

Strong neighborhood schools are the foundation of the Portland Public School District. Each student is assigned to a neighborhood school, but may apply to attend another neighborhood or focus-option school or program. There are three steps to making a school choice decision:

- Learn about your neighborhood school
- Explore other school options
- Enroll at your neighborhood school **OR** apply for transfer to a school choice option

Once you have considered your neighborhood and other school choice options, use the attached form to:

- Request transfer to a school or program other than your neighborhood school **OR**
- Request return to your neighborhood school if you are currently on transfer.

**SCHOOL CHOICE LOTTERY PROCESS**

- All School Choice applicants will be assigned using a central, computerized lottery.
- Preferences are given to students who qualify for priorities approved by the School Board: preference for co-enrolled siblings and siblings affected by boundary changes; language immersion preference by region; and gender and Free and Reduced eligibility weighting.
- This year's lottery will not include the No Child Left Behind (NCLB) transfer priority, because the State of Oregon is requesting a waiver from NCLB laws. Priority will be offered later in the year, if required under the new state plan.
- Some schools and programs require that families attend a mandatory meeting and/or complete a statement of understanding for an application to be considered in the lottery.
- Students whose families live outside of the Portland School District may apply to attend a PPS school. Non-resident requests are considered after resident student requests. If selected in the lottery, non-resident students must receive approval from their resident district to attend a PPS school.
- Tuition is required for some kindergarten programs and the Richmond Japanese Immersion pre-kindergarten program. Important information on fee-for-service programs is on page 2.
- If a school is requested by a parent of a special education student on an IEP, the choice school may not be granted if it is determined that the student may not receive a free & appropriate education at that school.
- Families will receive their transfer results approximately six weeks after the application deadline. Families will have 10 days to decide whether or not to keep their approved transfer, or return to the neighborhood or currently enrolled school.
- Students who do not receive one of their choices will be assigned to their neighborhood or currently enrolled school.
- If your student is experiencing an exceptional hardship that may inhibit his/her ability to attend school regularly, please contact the Enrollment & Transfer Center for additional placement options.

**STUDENT TRANSFER EXPECTATIONS**

- Students are expected to remain in their transfer school for at least the entire school year.
- Transfers are valid to the highest grade of approved school only. Students do not need to reapply each year to remain at the transfer school.
- Families are responsible for ensuring students arrive at school on time and attend regularly.
- Families are generally responsible for providing transportation to a transfer school.

The District's charter schools and alternative schools, including ACCESS and MLC, use a separate admissions process. Do not list a charter or alternative school as one of your choices on this form. For more information, contact the schools directly, or go to the PPS website at <http://www.pps.net/departments/education-options/666.htm>.

## SCHOOL CHOICE DEFINITIONS:

**Early Entry:** Oregon Law requires that your child turn 5 years old on or before September 1st for kindergarten, or 6 years old on or before September 1st for first grade. If you are interested in early entry kindergarten or first grade for your child and your child's birth date is after September 1st and before October 1st, please call the office of Talented and Gifted for an application or more information at 503-916-3358. Students applying for the Richmond Pre-K program must be 4 years old on or before September 1<sup>st</sup>.

**Co-enrolled sibling:** Siblings (brother or sister) who will be enrolled in the same school/program at the same time (one sibling must be currently enrolled at the requested school/program). A student who will be co-enrolled will receive a preference in the lottery. Co-enrolled sibling preference only applies to a family's first choice school, unless a family has been affected by boundary change. Siblings must be living in the same household.

**Fee-for-Service Kindergarten:** Fee-for-Service Kindergarten is a full-day program requiring the family to pay monthly tuition for the second half of the school day. Tuition is \$335.00 per month September through May. Full and partial tuition scholarships available to eligible families ([pps.net/departments/kindergarten](http://pps.net/departments/kindergarten)). For more information, contact program manager at 503-916-3230 or [nhauth@pps.net](mailto:nhauth@pps.net).

**Fee-for-Service Pre-Kindergarten:** The Fee-for-Service Japanese Immersion Pre-Kindergarten at Richmond is a full-day program requiring the family to pay monthly tuition. Tuition is \$680.00 per month September through May.

**Focus option:** A school or program structured around a unique curriculum, such as a language immersion program. Focus options are also referred to as magnet, special focus and designated special programs.

**Free and reduced-price meals (FRM) weight:** Eligibility for free and reduced meals may slightly increase or decrease students' odds in the lottery, depending upon whether their income level balances the overall income balance of the requested school. To find out if you are eligible or to submit a Free and Reduced Price Meals application and release of information, go to [http://www.pps.k12.or.us/schools-c/free\\_reduced\\_meals.php](http://www.pps.k12.or.us/schools-c/free_reduced_meals.php) or call Nutrition Services at 503-916-3399. Families that have already submitted a Free and Reduced Price Meals application can give the District permission to use this information by checking the permission box on page 8 of this application.

**Hardship/Extraordinary Circumstances:** An urgent situation that poses imminent health, safety or serious educational concerns for the student.

**Linked sibling:** Families have the choice of linking their children in the lottery so that all siblings are either accepted or not accepted to the requested school or program. "Linked siblings" only applies if the siblings are entering the same grade, reside in the same household and have all the same school choices. This is not a preference and does not improve your children's chances in the lottery.

**Neighborhood school:** A school serving a designated attendance area.

**Wait list:** A list of applicants who were not approved to a choice due to space, but who could be offered a transfer slot if an approved transfer student forfeits his/her space. The wait list will be in effect until October 2, 2012.

PPS offers a number of free Pre-K programs. The application period for these programs begins in Spring, 2012 (exception Richmond PreK). For more information visit <http://www.pps.k12.or.us/departments/funded-programs/index.htm> or call 503-916-3184.

**Change for 2012-13:** There are no regular program transfer slots at the following comprehensive high schools: Cleveland, Franklin, Grant, Lincoln and Wilson. Contact the Enrollment and Transfer Center regarding hardship petitions or return to neighborhood placement into those schools.

The Jefferson attendance area is a Dual Assignment Zone, giving students a choice between the Jefferson High School Middle College for Advanced Studies and either Roosevelt, Grant or Madison, depending on their address. During January-February 2012, K-8 and middle school counselors will assist all 8th grade students who live in the Jefferson Dual Assignment Zone in completing a Dual Assignment Intent Form.

## 2012-13 ELEMENTARY/MIDDLE SCHOOL TRANSFER SLOTS
