Change for 2012-13: There are no regular program transfer slots at the following comprehensive high schools: Cleveland, Franklin, Grant, Lincoln and Wilson. Contact the Enrollment and Transfer Center regarding hardship petitions or return to neighborhood placement into those schools.

The Jefferson attendance area is a Dual Assignment Zone, giving students a choice between the Jefferson High School Middle College for Advanced Studies and either Roosevelt, Grant or Madison, depending on their address. During January-February 2012, K-8 and middle school counselors will assist all 8th grade students who live in the Jefferson Dual Assignment Zone in completing a Dual Assignment Intent Form.
