

STUDENT TRANSFER TIPS AND EXPECTATIONS FOR **KINDERGARTEN** PROGRAMS

2012-2013 TRANSFER CYCLE:
FEBRUARY 10th - MARCH 9th, 2012

Enrollment & Transfer Center www.schoolchoice.pps.k12.or.us

You will improve your chances of choosing the right school for your student if you...

- ❑ Learn about your neighborhood school before applying for transfer
 - Your neighborhood school may offer the very programs and options that interest you
 - You may enroll your student in the Kindergarten program at your neighborhood school while applying in the lottery for other Kindergarten programs in PPS
- ❑ Visit schools you are interested in before applying in the lottery
 - Some schools and programs require attendance at mandatory meetings and signing statements of understanding for your application to be considered in the lottery. Call 503-916-3205 or visit the school choice website for school information
 - Some schools charge tuition for full-day Kindergarten (see list of schools on page 2). Tuition is \$335 per month from September through May with scholarships available for eligible families
 - Visiting schools of your choice allows you to meet staff, get a feel for the school/program and experience firsthand the transportation route (families are usually responsible for transportation)
- ❑ Minimum age to enroll in Kindergarten program is 5 years old by September 1st, 2012. If your child's birth date is after September 1 and on or before October 1st and you would like to learn about the process for "early entry" into kindergarten, please contact the Talented and Gifted Department at 503-916-3358
- ❑ Check on availability of the school or program that interests you
 - Call 916-3205 or visit the school choice website to learn how many spaces are available for transfer at each school, program and grade
- ❑ Apply on time: K - 8 applications will not be accepted after March 9, 2012 @ 5:00 p.m.
 - Please apply for Richmond full-day Fee-For-Service Japanese Immersion PK program during the regular lottery transfer cycle. Enrollment in other pre-kindergarten programs begin in late spring.
- ❑ Call the Enrollment and Transfer Center at 503-916-3205 with any transfer questions

After you have applied for transfer, you can expect the following...

- ❑ Results will be mailed to families 6 weeks after the application period ends
- ❑ Families will have 10 days to decline placement
- ❑ Acceptance means at least a one-year commitment to the transfer school
- ❑ Families are responsible for ensuring students arrive to school on time and attend regularly
 - Transportation is generally the responsibility of the families
- ❑ Students placed on a wait list will be notified by the 20th day of school if a space becomes available
- ❑ Students who are not placed through the lottery will be assigned to the neighborhood school
- ❑ Transfer students do not have to reapply each year to remain in the transfer school
