The ability to monitor your child's grades and any assignment information can now be securely viewed from your Internet Browser at home. We are providing this access through the Internet Viewer feature of the EdBox Gradebook. This secured access requires an Internet connection and a confidential user name and password issued to the parent by the school.

Directions

This information applies to: (5)

1. Start at the home page of your Internet browser
2. Navigate to our district web site at (6)
3. Enter the secure login information shown below:

User ID: (7)

Student's Password: (8)

Parent/Guardian Password: (9)

4. If you experience difficulty or have any questions about this service, please contact our office.

Considerations

- The User ID and password confidentiality is crucial - Do NOT give to others.
- This is a privilege for parents to monitor their child's progress and is subject to the PPS Acceptable Use Policy.
- Please allow teachers turn around time to enter grades.
- Missing assignments may be calculated in a variety of ways. Please check with your child and/or their teacher for the particular policy in the class.
- If questions arise, please visit with your child, teacher, counselor, or principal.
