

2010 Sixth-Grade Information Sessions

Fifth-graders: It's time to start thinking about sixth grade!

PPS schools are hosting visits for next year's sixth-grade students and their families. Some schools have open houses, while others hosts tours for small groups. Both options allow you to visit the school in person, meet staff and learn what that school has to offer.

Most fifth-grade students are assigned to their neighborhood school for sixth grade. If you want to attend a school other than your neighborhood school, you must apply during the school choice lottery cycle, which runs January 29 to March 12.
