7. COMMENTS/ISSUES

A public charter school is a separate legal entity operating under a binding charter agreement with a sponsor. A sponsor is either the school district in which the public charter school is located, or, rarely, the State Board of Education. A public charter school is governed by its board of directors and not by the sponsoring district.

As a result, full data are either not available or not comparable for inclusion in these School Profiles. Therefore, Sections 1, 3 and 6 contain limited or no data. Enrollment and achievement history data depend on the formation date and grade span of the individual school.

Please direct questions about a charter school to the school. Charter school contact information and descriptions are available on the district's website. Click Schools on the main page, then scroll down to and click Charter Schools.

Please direct general questions to Tara O'Neil at 503.916.3359 or taraoneil@pps.net.
