In March 2007, the State Board of Education adjusted the scores required to "meet standards." In order to allow for valid year -to- year comparisons, ODE also re-calculated the 2005-06 results using these new achievement standards. The results of this recalculation are shown above. Thus, these results do not match those shown in last year's profile for 2005-06.

7. COMMENTS/ISSUES

Lewis is home to an elementary Life Skills Nursing classroom and also a primary Life Skills classroom. Our Life Skills Nursing students are medically fragile students, and both of our Life Skills classrooms students benefit from small class sizes and individualized instruction. In addition, Lewis is also home to a Multnomah County Early Childhood classroom which serves an additional 33 students who are not reflected in our K-5 enrollment.
