Find out the genealogy of your family. Our goal is to trace our ancestors to the time they first came to the US.

Create a **family tree** linking you back to the first ancestor (s) to enter the US.

Things to include on the family tree if you can: *Name, Birth Date, Birth Location, Death Date, Burial Date, Cemetery Location, Mother, Father, Spouse, Marriage Date, Marriage Location, Children, Main Occupation*

Spelling

Spelling Words are available each week in the newsletter/homework sheet.

The support activities and definitions for Wordly Wise Level 3 will be available online at <http://www.accessalt.pps.k12.or.us/> under Ms. Clarke's page.

We are looking into the possibility to order a book for each child at their particular level. Until then we will continue with WW3 and I have introduced spelling patterns for students.
