Dear Mr. Breukman,

It is my pleasure to inform you that Beach has qualified as an Oregon Green School! This certification recognizes the school's efforts in waste reduction and resource conservation. ***Congratulations*** to the students, staff, parents and community members who have made this possible!

To acknowledge Beach's accomplishment in reaching the first of three levels of Oregon Green School Status, the school will receive a framed Oregon Green Schools certificate and a Green Schools window sticker and is invited to participate in the annual Oregon Green Schools Summit on Monday, April 25th.

This certification as an Oregon Green School is valid for three years. Your school can apply for higher levels of recognition anytime the criteria for advancement, as outlined in the Oregon Green Schools applications, are met. We look forward to presenting further awards as Beach climbs the "green" ladder, with the ultimate goal of becoming a Premier Oregon Green School!

Beach joins 34 other PPS schools in qualifying for Oregon Green School Status. On behalf of Portland Public Schools, congratulations for your outstanding efforts in waste reduction and energy conservation.

Sincerely,
