My Adventure

One summer I and my mama kid sited. The first thing we did was toy gun laser tag in the front yard. I wanted to be it so I could hide and when I say go they have to run or I will sniper them.

“I got you Grant” I said. Now I need to get in sniper rang. Pop He hits me with a laser. Pop I get him back. Lunch time. Ohh boy.

“Tuna with crackers “said Grant. “Let’s get back to the game” I said. “Alright “said Grant. “Grant is it in the game” I said. Now I hid in the long grass. I found a 100,000,000 dollar bill in the long grass.

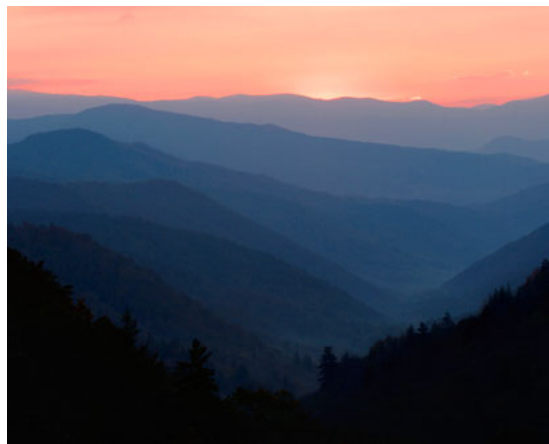

When they left I had to go to panda express and I donated it to Haiti. They used it well. The year went on and they paid medical bills .They lived there lives.
