

# INSIDE BOX OBSERVATIONS & INFERENCES EXERCISE

BOXES	OBSERVATIONS	INFERENCES

## QUESTIONS:

1. What differences do you notice between the boxes?
2. Apart from their appearance on the outside, are the boxes similar in any way?
3. How did you obtain this evidence?
4. Based on your observations, what can you infer about the contents of the boxes?
5. How do you think scientists gather evidence about Earth's interior?
