

# PLANET EARTH: WHAT DOES IT MEAN TO ME?

## Scoring Guide

POINTS	CREATIVITY	CONTENT INFORMATION
60 = A+	WOW!! Beautifully done, use of many pictures and materials...just Wow!!! Picture should hang in the OMSI exhibit	Completely accurate, clearly the "Earth" is the star with emphasis on natural phenomenon/landforms, 10 or more photos on poster, Title with name stands out; Write-up is clear & explains picture selection of all photos
50 = A	Great! Beautifull Really Cool!	Completely accurate, clearly the "Earth" is the star with emphasis on natural phenomenon/landforms, 10 or more photos on poster, Title with name stands out; Write-up is clear & explains picture selection of all photos
40 = B	Solid! Really Nicely Done!	Completely accurate, clearly the "Earth" is the star with emphasis on natural phenomenon/landforms, 10 or more photos on poster, Title with name stands out; Write- up is clear & explains picture selection of most of the photos
30 = C	Pretty nice looking, not over the top but not bad	Mostly accurate, missing some photos or not enough emphasis on "Earth," Title with name is missing, Write-up is not clear or incomplete in explaining picture selection
20 = D	Not that great, not very neat, edges are rough	Not accurate, missing photos or photos do not display Earth's natural phenomenon/landforms; missing title & without a name, missing or incomplete write-up on explaining picture selection
10 = F	I am honestly not sure how you would end up with a "I" here	Incomplete or totally wrong
