

Hey you,
Don't you give up, it's not so
bad
There's still a chance for us
Hey you,
Just be yourself, don't be so shy
There's reasons why it's hard

Keep it together, you'll make it
alright
Our celebration is going on
tonight
Poets and prophets would envy
what we do
This could be good, hey you

Hey you,
Open your heart, it's not so
strange
You've got to change this time
Hey you,
Remember this, none of it's real
Including the way you feel

Keep it together, we'll make it
alright
Our celebration is going on
tonight
Poets and prophets Would envy
what we do
This could be good, hey you

Save your soul, little sister
Save your soul, little brother

Hey you, save yourself
Don't rely on anyone else

First love yourself, then you can
love someone else
If you can change someone
else, then you have saved
someone else
But you must first love yourself,

then you can love someone else
If you can change someone
else, then you have saved
someone else
But you must first

Hey you,
There on the fence, you've got a
choice
One day it will make sense
Hey you,
First love yourself, or if you
can't,
Try to love someone else

Keep it together, we'll make it
alright
Our celebration is going on
tonight
Poets and prophets will envy
what we do
This could be good, hey you

First love yourself, then you can
love someone else
If you can change someone
else, then you have saved
someone else
But you must first love yourself,
then you can love someone else
If you can change someone
else, then you have saved
someone else
But you must first
