

Duniway Annual Fund Campaign 2010-2011

Did you know?

- Foundation donations last year equaled nearly \$180,000 to keep library, music, and physical education at their current levels this year.
- Without funding from the Foundation, Duniway would lose some or all of these programs next fall—by losing the equivalent of two full-time teaching positions.
- Donations are tax deductible. The Duniway Foundation is a 501(c)(3) not-for-profit organization. Duniway Educational Foundation's Tax ID # is: 93-1204172.

How much should I give?

We estimate that keeping staffing at its current levels next year will require \$600 per Duniway student this school year. An appreciation event will be held for all donors who give \$600 or more.

If you cannot give \$600, please give what you can. **We need support from every Duniway family to ensure that our children continue to get the rich and diverse education they deserve.**

How can I make my donation go further?

Donate now to take advantage of dollar matching opportunities:

Matching donations for first-time donations of \$250 and over

To encourage new families to join those who have given previously, several generous Duniway families have agreed to match first-time contributions of \$250 or more, up to a total of \$5,000.

Employer contribution matches

Please ask your company if it will match your donation. Many companies match employee donations to 501(c)(3) not-for-profit entities such as the Duniway Foundation. Your company will receive recognition for the donation in the Duniway Foundation 2010-2011 annual report.

How else can I help?

Do you have family members, friends, or neighbors who may want to contribute? Make a copy of this page and pass it along. Many Eastmoreland neighbors understand the value of supporting our neighborhood school, which helps sustain property values and enriches our community.

Please donate by December 31, 2010.
