Day 8, AM (Week 2)

cleft: (adj). **split; divided**

Ex: Sheila used the crevice in the **cleft** rock as a handhold while climbing.

EMBRACE CHANGE

Growth means change and change involves risk, stepping from the known to the unknown.
- George Shinn

Reading: 1st / 5th

Reading Homework Expectation is 30 minutes per night (150 min/week)!
Bring your SSR (Silent Sustained Reading) book to school EVERY DAY!

Students used "Zlateh the Goat" in the Write-In Reader (p. 72) to learn more about the reading strategy **making prediction**, where the reader pauses to think about what might happen next. Students are expected to **actively practice making predictions** as they independently read their SSR book at home, proving the work with three quick predictions formulated throughout. **DUE tomorrow, Friday, September 16th.**

History: 2nd

Students received a geography challenge in their history workbook (p. 4 - 7) in which they find information in the textbook and then record their answers in complete sentences in the workbook and label the maps accordingly. **DUE Monday, September 19th.**

Writing: 3rd / 7th

Students volunteered to share their descriptive writing, which was followed by time to finish Kindness Works posters.
