

Grading in 7th grade math, 8th grade math & Algebra 1/2

2nd
Trimester

Student work will receive a letter grade of A, B, C, D, or F on the report card. You can check SnapGrades to see current standing.

One half of the grade is based on quizzes and tests. There will be a quiz at the end of each week. The lowest score will be dropped.

One quarter of the grade is based on meeting the stated expectations for class participation.

■ Participation
■ Effort
■ Quizzes and Tests

One quarter of the grade is based on the effort put into assigned class work and homework (HW). HW is assigned Monday - Thursday and collected on Friday. Extra credit work is available.

- Excused absence assignments: # of days out will equal the # of days to turn in work with no penalty.
- Late assignments Student is responsible to **negotiate** terms with Mr. McLeron.

Always remember that I am grading the work, not the person.

Student Materials for 7th and 8th Grade Mathematics And Algebra 1-2

Student Binder with 5 sections for math

Section 1: Forms

- Grading policy, classroom rules, expectations

Section 2: In-Class Work

- All in-class work including warm-ups, problem investigations, class notes, everything you write or draw in class

Section 3: Vocabulary

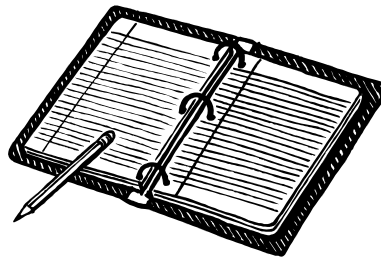

- Your way of describing the math words we study in each unit

Section 4: Homework

- Everything assigned as homework; this **includes** unfinished in-class problems

Section 5: Your Book (7th & 8th grade math)

- Please keep your math book clipped in your binder

**I will check binders on a random basis.
A complete notebook is part of your participation grade.**

Paper Heading

All paper work needs a heading on the left margin that includes:

Name _____

Date _____

Assignment _____

Period _____

Un-named papers will be recycled

Always remember that I am grading the work, not the person.
