

“Mad” Grad Party

**Madison High School All-Night Drug-free & Alcohol-free Graduation Party
Help keep our graduating seniors safe on graduation night!!**

For the Madison High School Class of 2012, the tradition of a Senior Class All-Night Drug-free and Alcohol-free Party continues. We need to start now to formulate plans for the night immediately following the Graduation Ceremony. To help keep our graduating seniors safe on this special night, a party needs to be planned (and funded) that will be a truly amazing event that will **WOW** even the most skeptical graduate.

The party focus has always been to give the graduates a last time together, to have fun, enjoy the camaraderie, and say their goodbyes as they move on to a new phase in their lives. All this takes place in a safe, alcohol-free and drug-free environment.

Planning includes food, entertainment and many other activities to make their last great gathering as the Class of 2012 a **POSITIVE** experience. Madison High School has a history of memorable graduation night events for fun ideas and planning needs.

We need volunteers throughout the year to make this event a success. Funds must be raised and the party needs to be planned. Please sign up to volunteer for this important project.
