Proofread a Journal Entry Sam made mistakes as she wrote her diary entry. Circle six misspelled words and write them correctly. Insert quotation marks where they are needed.

Today was my birthday! I was up very early. Usually I run right down to breakfast but today I was as slow as a turtle. As I walked into the kitchen, I herd my family yell, Surprise!

My family gave me a new purse and this brand new jurnal! My friends took me out for a hambinger at lunch. For dinner, we had my favorite—turkey! The only present I have to retearn is a shirt that is too small.

I'll write more tomorrow,
Sam
