

## ***Shadowing Overview***

**Shadowing is a great opportunity for students who:**

- Are deciding between different high schools
- Are nervous about what high school will be like

We'll match your student with a Wilson student for the entire school day and your student will attend all of their classes with them. Generally we match them with a freshman student so they get a view of the freshman experience. If you have a particular Wilson student you want your student to shadow, please request it on the attached form. In addition if you have special request for your student (i.e. wants to see drama or art class), please put it on the questionnaire and we will try to fulfill it.

When choosing your shadow date, remember that Wilson starts at 8:15am. School ends on Monday, Tuesday and Friday at 3:15pm and Wednesday and Thursday school ends at 2:15pm.

Bring completed questionnaire to the main office or email to Erica Meyers at [emeyers@pps.net](mailto:emeyers@pps.net) or fax to Erica at 503-916-2705.

Erica will set-up a Wilson student to host your student and email you a confirmation along with a medical information form to bring with you on the day.

On the shadow day, your student needs to check in the main office about 8am and bring their medical form. We will connect your student with their host and they will go to classes. You can arrange to pick your student up after school is over in the main office or wherever you designate.

A great time to ask any additional questions you may have about Wilson is when you bring your student or pick them up.

*We look forward to having your student here to shadow at Wilson!
